## ***Authentic handmade music***

**Jürgen Teschan, guitarist, singer and harmonica player, travels with his music since the early 1990s.**

**Over the years, he played hundreds of concerts in germany, europe and made many studio recording sessions.**

**He plays mostly self-composed music. Making songs about the world, as he sees it. He is a virtuoso guitarist and a passionate singer, who also like to take to the harmonica.**

**Sometimes he inserts songs by other artists in his live program, which he interpreted in his spirit. Teschan plays solo and with other musicians, in different scorings.**

**Let sit for a few hours to take and experience authentic, original and honest live music.**
